## LAMINATE FLOORING

The laminate flooring we stock is of a second generation quality laminates. Imported from Norway with a 12mm thickness and a surface guaranteed for 25 years they will compliment the interior with an extremely high wearing resistance. The standard floor plank are 188mm wide and come in 1845mm lengths.

We stock these colours:

EVERST OAK BRONZE

EVEREST OAK GREY

EVEREST OAK WHITE

EVEREST OAK BEIGE

## The PLUS Range - a Wider Floor Plank

The new PLUS series adds a bit of extra elegance to your Nordic Room. It is 244mm wide and also come in 1845mm lengths. This floor is slightly thinner to make it easier to lay. As with all our laminate floors they come in the highest of standards with a 25 year warranty for domestic use. We have chosen these two colours as they create a beautiful feature and works with the wider plank.
